Help Kids Succeed

At the end of July, 232 community volunteers tackled the prep and filling of TEF's Help Kids Succeed backpacks - 1,500 TSD students will benefit from their hard work. Thank you to all who generously gave the gift of time to this program of impact. Students who need help with purchasing supplies can request a free backpack from the school that they are registered to attend. A special thanks to Conrad Ball Middle School for hosting this effort in the gymnasium.
