

The 2018-2019 school year has kicked off in high gear and the team at Thompson Education Foundation is excited to continue our mission of exceptional educational experiences for students and educators in Thompson School District. There is a lot of TEF news to share: community impact, upcoming events and easy tips for everyday giving that won't break the bank!

Thank you for all you do to support students in our community.

How TEF Has Helped

In May 2018, Thompson Education Foundation scholarship funds and partners distributed \$235,525 to 75 graduating seniors and 25 students continuing their postsecondary education. We are proud of our student recipients and thankful to the many community members who donate in support of students pursuing their dreams!

How Community Has Helped

SCHEELS[®] SCHEELS is an official sponsor of Thompson School District Athletic programs for the 2018-2019 school year! As a proud sponsor of TSD's student athletes, SCHEELS has donated \$750 to each middle school and high school for new sports equipment purchases this year. This gift will allow schools to update or replace aging equipment to support student athletic success.

Everyday Giving Opportunities

There are many opportunities to give to and invest in TEF through AmazonSmile, the RoundUp App, and the Major Saver Discount Card (coming in November). Each opportunity allows you to give pennies on the dollar with ease or to make a nominal investment that has a BIG impact for students over time.

Major Saver Discount Cards will be sold at select TSD elementary schools and on TEF's website from November 7-20. If you attend the Education is Everyone's Business event, you can buy your card early! These discount cards support TEF and TSD schools. They feature many of our locally owned businesses, so your card purchase also supports economic vitality in Loveland/Berthoud.

You can support TEF when you make an online purchase through **AmazonSmile**. Designate Thompson R2-J Education Foundation as your chosen charity and Amazon will donate .5% of your eligible purchases to TEF - at no extra cost to you!

ROUNDUP APP

EFFORTLESSLY GOOD

Another easy way to donate a small amount to TEF each month is with the RoundUp App. You decide which debit/credit cards to register - with each purchase you make, the app will **RoundUP** your purchase to the nearest dollar and donate the change to TEF.

Donate to TEF to create real benefits for students.
